People

Widen reach & increase engagement

Peace

Build care, compassion & confidence

Planet

Recognise opportunities for action & respect for the wider world

Partnership

Seek togetherness & solidarity

Prosperity

Build on collective ideas & generosity for shared ownership and longevity

Working together to build and sustain a greater sense of belonging, interdependence, relevance and understanding in Somerset society

Charity registration number 1104504 Company registration number 5148165

The Somerset Candle for Memory and Peace is on tour throughout the county until the end of January 2026

Hosting the candle comes with a choice of:-

Free workshops & talks, making flowers representing the people who suffered during the Holocaust and genocide events across the world.

We aim to completely cover the candle-holder while sharing & telling stories and personal history links to Somerset. What values do you hold strong to?

Help fold 1000 origami cranes in memory of VJ Day and listen to stories of the people who suffered including the forgotten army that included volunteers from the African and Asian continents and the people of Hiroshima and Nagasaki.

What actions for Peace can you take?

Why not host the candle & a talk or workshop? Whether you represent a school, college, community, religious, care setting, museum, library, history, craft, local council or a group with an interest, we can design our visit for your group. We invite you to please contact liz@glade.org
